ENTRY CRITERIA | CATEGORY 10 Chairman's Award

This award aims to recognise an outstanding woman or woman-owned entity within the construction industry who has contributed significantly to the development and transformation of women in the South African construction industry, through dedication, conviction, vision, commitment and leadership. The cidb Chairman reserves the right to bestow this award on a worthy recipient of his/her choosing. There will only be one individual or entity recognised.

REQUIREMENTS FOR SUBMISSION	Tick if attached	Comment
1 One-page submissions are welcome to motivate for this award. The submissions will be adjudicated according to the following criteria: <ul style="list-style-type: none"> The nominee must be an active participant in the construction industry. The nominee can work in any sector within the construction industry. The submission should demonstrate the individual or entity's positive contributions to the industry in the areas of empowerment, skills development, and mentorship. In addition, the motivation should include their promotion and growth of the industry through transformation and the upliftment of previously disadvantaged participants and communities. The submission must showcase a sustainable track record and commitment to the enhancement of the industry. 		
2 The entity must agree to their nomination in writing.		
3 The entry must include a well-presented and neatly bound report or motivation that is sufficiently comprehensive. Where relevant, drawings, graphs, tables and other supporting documentation must be included.		
4 At least five high-resolution (max 1MB) photographs of the construction entity and/or project in jpeg format must be included.		
5 A high-resolution (max 1MB) logo in jpeg format must also be included.		
6 Provide a 100-word executive summary of the entry for publication and presentation use.		

NB: If any of the above documents are not included in your entry submission please indicate when they will be delivered and supply contact details in order to allow for follow-ups.
